

Club Soar

What is Club Soar?

Club Soar is a mini program based on our annual grief support day camp, "Camp Soar". Club Soar is free of charge. The day involves developing friendships, support of caring adults, and fun-filled activities that break the emotional isolation grief often brings. Club Soar is offered to children ages 5-16 and is held year-round in Geary County. We also partner with organizations to serve local or specific communities through sponsorship opportunities.

This club day includes supervised swimming, gymnasium activities, and a grief support activity. The program will encourage confidence-building and activities designed to facilitate fun and interaction among club participants.

To be eligible for this camp, the child must be between the ages of 5-16 and have experienced a loss through death, divorce, distance, addiction or grief of some kind.
