

Engineering a Dream

— Hosted by K-State's National Society of Black Engineers —

For students grades 6 – 8

\$5.00 registration fee (scholarships available)

Saturday, April 13
9 a.m. – 4 p.m.

Kansas State University
Carl R. Ice College of Engineering
1701 Platt Street • Manhattan, KS 66506

Engineering a Dream was created to stimulate middle-school students' interest in careers related to science, technology, engineering and mathematics.

Join us for a day filled with fun, hands-on engineering activities.
