

JGC Health Assessments and Physicals (See JGCB)

JGC

Unless otherwise provided herein, all students up to the age of nine shall submit evidence they have undergone a health assessment prior to entering kindergarten or before enrolling in the district for the first time. Students who fail to provide the documentation required by law may be excluded from school by the superintendent until statutory requirements are satisfied.

The above requirement is not to serve as a barrier to immediate enrollment of students designated as homeless or foster children as required by the Every Student Succeeds Act (ESSA) and the McKinney-Vento Act as amended by ESSA. The district shall work with the Department for Children and Families, the school last attended, or other relevant agencies to obtain necessary documentation of health assessments.

All students engaged in activities covered by appropriate KSHSAA rules shall provide the building principal with proof of a physical examination and clearance to participate.

Principals shall work cooperatively with local, county and state health agencies to disseminate materials related to the availability of health assessments and inoculations.
