

MF Colleges and Universities

MF

The board supports the on going education of student teachers by placement in district classrooms.

Contract Required

A written student teaching contract with appropriate colleges and universities shall be prepared and presented to the board for their consideration and approval.

Other Relationships

Other relationships between the district and institutions of higher education may be considered upon recommendation of the administration.

Approved: 5/05

MF-R Colleges and Universities

MF-R

The superintendent is authorized to sign agreements with colleges and universities within the state for the placement of student teachers. The placement of student teachers shall be made through the personnel office in consultation with the building administrator and the classroom teacher.

Classroom teachers, who serve as supervising teachers for student teachers, shall receive payment for such services as provided by the college or university through the Office of the Superintendent.

Approved: 5/05
