

- Go to the Link: <https://fs-port.usd383.org/adfs/ls/idpinitiatedsignon.aspx> (We are working on an icon for Desktops and student iPads called "District Login" for this)
- Click the "Sign in to one of the following sites:"
- Select "**ConnectED (Wonders)**"

- Click "Sign In"
- Sign in to your district account or one of the generic accounts. **You must include @usd383.org** (e.g. toddb@usd383.org or connected@usd383.org) If you use your district login the password will be the same as your email. If you use a generic password below.

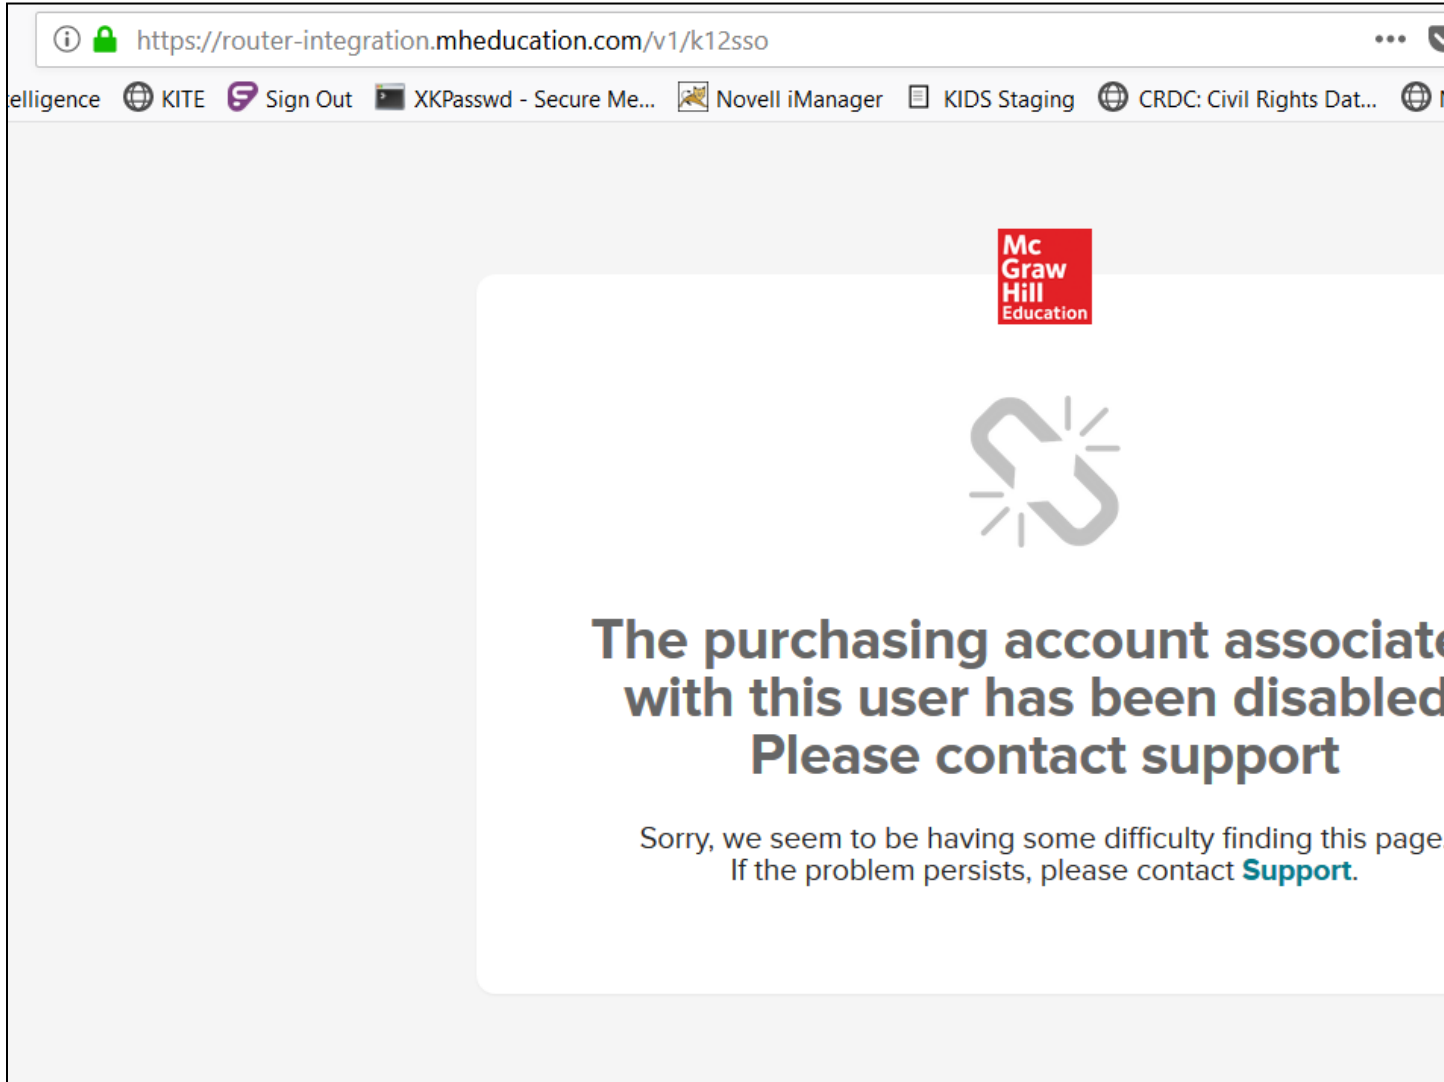

- Click “Sign In” button.
- If successful, you should see a screen like this:

- If you have not been assigned content or there is some other problem with your account you will see an error message like this. If you are a classroom teacher with READING section in Infinite Campus. If you are Special

Education, ESOL, Principal, Title 1, or Specials teacher, you will need to use one of the generic logins to access content.

Generic Accounts:

(Maximum of 5 devices per username logged in at the same time)
