

Accurate minutes of each board meeting shall be taken and transcribed. The clerk shall be responsible for taking and transcribing minutes of each board meeting. The board shall designate an acting clerk if the clerk is absent. Neither the superintendent nor a board member may serve as acting clerk. Unofficial minutes shall be sent to the board as soon as possible after each meeting. The board shall review minutes of each meeting as soon as practicable, shall make any corrections or changes required to make the minutes accurately reflect board actions taken, and then approve the minutes as presented or changed.

The minutes shall clearly reflect all motions voted on by the board, including board actions taken on motions which did not pass. The minutes will not contain a summary of each statement, either written or oral, made by a board member, a guest or a member of the staff unless the board chooses to have written remarks made part of the minutes. If a request is made, the board may direct the clerk to attach a copy of the written remarks to the original minutes.

#### Electronic Recording of Meetings

Electronic recording of meetings may be done as a public service. The recording may be played at a later date on the district cable station. These recordings are not intended to be a permanent public record and will be retained for 90 days, at which time they will be disposed of.
