

CO Reports

CO

The board may require reports from the superintendent or other staff members. The board delegates to the superintendent authority to request reports from any staff member.

Types of Reports

Annual

The superintendent shall submit to the board an annual report summarizing the district's operations for the preceding school year. The report may include the accreditation status of each district school building.

Budget Reports

The superintendent shall present a quarterly fund report to the board. The fund report shall be included in the board's agenda and shall include each fund, the original appropriation, the amount expended to date, the amount encumbered to date, and the remaining balance in each fund.

Disseminating Reports (See JR et seq.)

The board, upon request, may receive copies of reports submitted to the superintendent if there is no potential violation of any staff or students' privacy rights. (See BCBK)
